SENG 300: Iteration 2								
Colin A, Jessie C, Bryan H, Brandon L, Shaina R.								
Product Backlog		Sprint Backlog						
	Estimation Priority	USER STORY	IN-PROGRESS		IN TESTING	DONE		MEMBERS INVOLVED
As a user, I wish to be able to register for an account with a username and password	- 1	As a user, I wish to be able to register for an account with a username and password	Done	Done	none	Create classes and attributes, architecture	2/20/19	All
As a user, I wish to be able to login to an existing account with a username and password As an authorized user, I wish to be able to view the list of available scholarships in the system						Design front end layout for registration Write code for database, registration	2/25/19	Jessie, Shaina
As an authorized user, I wish to be able to view the list of available scholarships in the system As an authorized user, I want to be able to view the general profile of a specified scholarship	3 3		_			Test functionality for database registration	2/26/19 2/26/19	Brandon, Bryan Brandon, Bryan
As an authorized student, I want to be able to submit a scholarship application						Code registration GUI and integrate with logic	2/27/19	Shaina, Jessie
As an authorized student, I want to be able to view all personal scholarship application submissions As an authorized student, I want to be able to set a priority for scholarship applications	*****		_			Verify and test resignation GUI	2/27/19	Shaina, Jessie
As an authorized student, I want to be able to resume an in-progress application form if not complete		As a user, I wish to be able to login to an existing account with a username and password	Done	Done	none	Write code for login page	2/27/19	Shaina, Brandon
As an administrator, I wish to be able to add (new) scholarships to the list of scholarships As an administrator, I wish to be able to remove existing scholarships	1 1					Test functionality of login with database Design front end layout for login	2/28/19 2/28/19	Shaina, Brandon Jessie, Shaina
As an administrator. I wish to be able to see all of the applicants for each respective scholarship						Code GUI for login	2/28/19	Jessie, Shaina
As an administrator, I wish to be able to add or edit a scholarships eligible requirements As an administrator, I wish to be able to filter student applications based on application eligibility	2 6					Integrate login, registration, userdatabase classes with GUI	3/1/19	Shaina, Brandon
As an administrator, I wish to be able to process a scholarship application and grant or reject an application								
As an administrator, I wish to be able to filter the list of students based on specified criterias	0 7	As an authorized user, I wish to be able to view the list of available scholarships in the system	Done	Done	none	Write code for scholarship, scholarship manager Write code for scholarshipApplication	2/27/19 2/27/19	Colin Colin
As an authorized user, I wish to be able to view my user profile that contains all of my personal information As an authorized user, I wish to be able to receive notifications when there is an update to an application	2 5					Design interface for viewing scholarships Students can be viewed	3/3/19	Shaina, Jessie Shaina, Brandon
As an authorized user, I wish to be able to filter scholarships based on criteria As an administrator, I wish to be able to create a scholarship with requirements	6 4					Students can be viewed	3/1/19	Shaina, Brandon
As an administrator, I wish to be able to crease a scholarship with requirements As an authorized user, I wish to be able to view a tab that displays all unseen notifications for the user								
		As an administrator, I wish to be able to add new scholarships to the list of scholarships	Done	Done	Test all fields for bad inputs	Scholarship applications can be created and stored in database	2/27/19	Colin
		As an administration, I want to be size to socious row administration to use too or administration	Don't	DOING	real as result for used reputs	Scholarships can be created in database	2/27/19	Colin
						Admin Gui Layout	2/28/19	Jessie, Shaina
teration 2	Entire disc Dalacita	As an authorized user, I want to be able to view the general profile of a specified scholarship	Done	Done	none	Code to display all information for scholarship	3/15/19	Jessie, Shaina, Colin
,	1 1							
As an administrator, I wish to be able to add (new) scholarships to the list of scholarships As an administrator, I wish to be able to remove existing scholarships	1 2							
As an authorized user, I want to be able to view the general profile of a specified scholarship	3 3	As an administrator, I wish to be able to remove existing scholarships	Done	Done	none	Scholarships can be removed from database	2/27/19	Colin
As an authorized user, I wish to be able to filter scholarships based on criteria As an authorized user, I wish to be able to receive notifications when there is an update to an application	6 4					GUI layout for removing scholarships Connecting backend logic to front end interface	3/16/19	Jessie Jessie
	2 6					Commencing calculate regions from the minimage	J. 13/19	Jane
As an administrator, I wish to be able to add or edit a scholarships eligible requirements	2 7				Testing to ensure all valid edits are functional			
As an authorized user, I wish to be able to view my user profile that contains all of my personal information		As an administrator, I wish to be able to add or edit a scholarships eligible requirements	Getting GUI editing to work	Fix logic for searching scholarships, saving fields	are functional			
					Engure on scholarships and			
		As an authorized user, I wish to be able to filter scholarships based on criteria	Getting GUI title setting and data saving to work	Fix logic for searching scholarships	missed due to searching algorithn	GUI layout for removing scholarships	3/15/19	Jessie
						Connecting backend logic to front end interface	3/15/19	Jessie
						Scholarships are searchable by title and filtered by one other attribute	3/5/19	Colin
		As an administrator, I wish to be able to create a scholarship with requirements	Done	Done		Scholarships requirements now have baseline requirements GUI layout for new scholarship	3/17/19	Colin
						GUI for creating adding a new scholarship (all standard fields		Jessie
		As an authorized user, I wish to be able to view my user profile that contains all of my personal information	Done	Done		Create the UI scene for viewing student profile	3/8/19	Shaina
			_			Build StudentManager for grabbing studentData Create the UI scene for viewing admin profile	3/8/19 2/27/19	Jessie, Bryan Jessie
						Create the Or scene for viewing admin profile	2/2//19	Jessie
		As an authorized user, I wish to be able to view a tab that displays all unseen notifications for the user.	ter Implementing notification system into the GUI					
			Hemoving unread notifications					
			nne					
		As an administrator, I wish to be able to see all of the applicants for each respective scholarship	none	Specify a specific scholarship in a list
